**Temporary Appointment  
of Road Foreman**

A call was received by Thomasina from Marie Hayes regarding Jim Hayes concern that he was not officially "Appointed" as Road Foreman in the interim until we have a new plan/foreman in place after his resignation/two week notice.

Jim did convey in the March 13, 2023 minutes that while he resigned, he would stay on longer if need be.

It was conveyed through Marie Hayes that Jim would like an official appointment, even if temporary, to insure he is legal to continue to carry out Road Foreman duties.

Thomasina made a motion to appoint Jim Hayes as Road Foreman again, temporarily, until the transition to a new foreman or plan is implemented. Tammy seconded, motion carried.

No other action was taken.

**MOTION** Motion made by Thomasina to Adjourn, seconded by Tammy, motion carried.

9:15 PM

Respectfully Submitted,  
Thomasina Magoon
